## ***CDC Mission Statement***

The principle mission of the Color Country Interagency Fire Center (CCIFC) is the safe and cost effective coordination of emergency response for all incidents in the Color Country Interagency Fire Management Area (CCIFMA). This is accomplished by thorough planning, communications, situation monitoring, need projection and expediting resource orders, between Federal Land Management Agencies, State agencies and other cooperators.

## ***Area Description***

The Color Country Interagency Fire Management (CCIFMA) provides a full range of fire management services to participating federal, state and local jurisdictions in southwest Utah.

The CCIMA cooperates with state agencies, local communities and fire departments on a wide range of activities including fuels treatments, fire prevention and fire suppression via the Southwest Area of the Division of Utah Forestry, Fire, and State Lands.

Encompassing over 16.4 million acres, of which 14.5 are managed by participating Federal agencies, the CCIFCMA runs along the Interstate 15 corridor in Beaver County on the North, to the Nevada state line on the west, to Glen Canyon National Monument to the East, and South to Grand Canyon N. P.. Vegetation types in the area range from high desert species such as native bunchgrasses, sagebrush and various types of brush, to woodland species such as pinyon-juniper, aspen and mixed conifer species at higher elevations.

The **CCIMA** is composed of:

-  **Bureau of Land Management, Utah / UT-CCD**
  - Color Country District BLM
  - Cedar City Field Office
  - Kanab Field Office
  - St. George Field Office
  - Grand Staircase Escalante National Monument
  
-  **Bureau of Land Management, Arizona / AZ-ASD**
  - Arizona Strip District BLM
  - Grand Parahant National Monument
  - Vermillion Cliffs National Monument
  
-  **Dixie National forest / UT-DIF**
  - D-1 Pine Valley R. D.
  - D-2 Cedar R. D.
  - D-3 Powell R. D.
  - D-4 Escalante R. D.
  
-  **National Park Service**
  - Zion N. P., Bryce Canyon N. P. / **UT-ZIP**
  - Cedar Breaks N. M. / **UT-CBP**
  - Glen Canyon N. R. A. / **AZ-GLP**
  - Pipe Springs N. M. / **AZ-PIP**

 **Southwest State of the Division of Utah Forestry, Fire, and State Lands / UT-SWS**

Beaver Country  
Garfield Country  
Iron County  
Kane County  
Washington County

 **Southern Paiute Agency / UT-SPA**

Shivwits Reservation  
Kaibab Reservation  
Cedar/Indian Peaks Reservation

## ***Geographic Orientation***

The Color Country Fire Center is the Federal Interagency Dispatch Center for the Color Country Fire Management Area, which is comprised of three zones.

 **East Zone**

Garfield County  
Kane County  
Powell Ranger District (D-3 Dixie N. F.)  
Escalante Ranger District (D-4 Dixie N. F.)  
Grand Staircase Escalante National Monument  
Kanab Field Office  
Bryce Canyon National Park

 **South Zone**

Washington County  
Pine Valley Ranger District (D-1 Dixie N. F.)  
St. George Field Office  
Arizona Strip BLM District Office  
Grand Parashant National Monument  
Pipe Springs National Monument  
Vermillion Cliffs National Monument  
Shivwits Indian Reservation  
Kaibab Indian Reservation

 **West Zone**

Iron County  
Beaver County  
Kane County  
Garfield County  
Cedar City Field Office  
Cedar Breaks National Monument  
Cedar/Indian Peaks Reservation  
Cedar Ranger District (D-2 Dixie N. F.)  
Zion National Park

## ***Logistic Zones***

### **✚ Color Country Interagency Fire Center (CCIFC)**

Color Country Expanded Dispatch is responsible for logistical support (i.e. all A, O, C, E, and S numbers) of all fires on Cedar City District BLM, Dixie National Forest, Zion National Park, Bryce National Park, Glen Canyon National Park, Cedar Breaks National Monument, and State protected lands in Iron, Beaver, Garfield, Kane and Washington Counties.

Color Country is also responsible for logistical support of the Arizona Strip District BLM, with some exceptions described below.

### **✚ South Zone Logistics (SZ)**

South Zone Logistics provides all local logistical support for the Arizona Strip District and South Zone. However, any supply orders that are required to be placed through the Great Basin, such as radios, must be processed by Color Country Expanded Dispatch

## ***Center Coordination***

When fully staffed, there is a PFT Center Manager, PFT Assistant Center Manager, PFT Aircraft Dispatcher, PFT Logistics Dispatcher, PFT Intelligence Dispatcher, and two Career Seasonal Dispatchers. There will typically be seven seasonal dispatchers to fill in as fire activity warrants. A Coordinator on Duty (COD) or Floor Supervisor will be established during times of high fire activity. The Assistant Center Manager typically directs day to day operations although the Center Manager maintains an “open-door” policy with all personnel in the center.

## ***Dispatch Operations***

Normal operating hours for CCIFC are from 0700-1800. The CCIFC MOB Guide (SOP) is located in the Dispatch Desk Guides (green binder) and on the reference shelf. The Expanded Dispatch Plan is located in expanded and on the reference shelf.

- ✚ Initial Attack** – CCIFC will dispatch resources immediately in accordance with the run card (in WildCAD). **Closest Forces will be sent regardless of agency affiliation in order to best serve the public.** CCIFC in cooperation with the Agency Duty Officer and MAC Group needs will position and utilize established resources to meet anticipated and existing fire protection needs with then the Color Country Interagency Fire Management Area.
- ✚ Weather** - Weather is simulcast over the radio twice daily. Morning weather is broadcast at 10:15 Utah first then Arizona. Afternoon Weather; Utah weather is broadcast at 1600 and Arizona weather is broadcast at 1630. Spot weathers will be broadcast at time of issuance and the dispatcher will confirm positive copy from the incident. Red Flag Warning/Watches will be broadcast at time of issuance, as well as any impending weather such as flash flood warnings. The dispatcher will confirm that all incidents copied the broadcast.
- ✚ Aircraft** – Cedar City Air Center (CDC) serves as a base for a full spectrum of aircraft including Airtankers, Helicopters, Air Attack, and Smokejumpers. St. George airport (SGU) serves as a base for the Arizona Strip T3 helicopter. CCIFC utilizes Mesquite SEAT base (67L) with close coordination with Las Vegas IFC. Temporary bases can be sent up at Bryce Canyon (BCE) and Kanab (KNB).

## ***Security***

To enter and exit the facility there is a secure gate. To enter, pull up to the box and press #4283. The gate is locked open during the day. The gate switch is located in dispatch at the South exit. Make sure the gate is completely closed behind you if you're the last dispatcher leaving at the end of the day. Dispatch is responsible for making sure the gate is lock closed and the main front doors and the south door accessing dispatch are locked at the end of the day.

## ***Facility***

Dispatch is on the south side of the building. Dispatch parking is on the south end of the parking lot. You can access Dispatch via the main front doors or the south entrance. There is a break room with a microwave and two refrigerators for storing your food. Please clean up after yourself and please recycle.

## ***Facility Emergency Procedures***

Emergency evacuation procedures and maps are located throughout the building; make sure you are familiar with the safest exit for the area in which you are working and that you know the exit routes in case of emergency.

## ***Restrooms***

Restrooms are located on the West and North ends of the building. The West hall restrooms are located next to the break room on the left side of the hallway. The North side restrooms/showers are across the hall from the workout room. All restrooms are handicapped accessible.

## ***Handicapped Accessible/Parking***

Handicapped parking is clearly marked and available by the main front doors as you enter the dispatch building.

## ***Smoking Policy***

Smoking can only be done outside, at least 50 feet from any doors and/or windows. Do not leave smoking debris anywhere.

## ***Working Atmosphere***

CDC is a harassment-free workplace and we practice a zero tolerance policy for harassment of any kind. All employees, cooperators, contractors, and volunteers who participate in our operations have the responsibility to treat one another with respect and to maintain a work environment free of harassment or intimidation of any kind. Address problems as they happen and think of the behavior, not the person when confronting someone. Promptly notify the Floor Coordinator or Assistant/Center Manager as necessary with personnel problems and employee suggestions.

- Follow the Chain of Command
- If you're unclear of your assignment, please ask
- Keep your desk area clean and orderly for the next shift or day
- Perform assigned work according to standards and time frames established by the National Mob Guide, GBCC Mob Guide, and CDC Mob Guide
- Refer agency-specific questions and/or comments concerning policy or interpretation to the Center Manager or Floor Coordinator.
- **Remember that we are a service provider and our job is customer service and support!**

Please be respectful of co-works, firefighters, cache personnel, and those on the other end of the phone. Take time outs when upset. We are a team and need to be focused on the purpose of the assignment. Please use appropriate language at all times.

### ***Appropriate Attire***

Please keep your personal appearance clean and neat with no derogatory or offensive t-shirts, and no tight or revealing clothing. If you have questions about attire please ask. We are casual, but it's a privilege not a right, don't ruin it for the rest of us.

With a large group working in a relatively small working space, it is difficult to keep the temperature comfortable for everyone. We recommend that you bring a sweater or jacket to ensure your comfort.

### ***Cell Phone Use***

Personal cell phones are not permitted on the dispatch floor. Your phone is not a priority. If something personal requires your attention and/or you're expecting a call, let the Floor Coordinator know in advance. If you need to use your personal cell phone please leave the floor. Announce when you leave the floor and make sure someone is aware of your departure so they can cover the phone and radio.

### ***Timekeeping***

Be on time. If you will be more than 15 minutes late be sure to call and don't make it a habit. You are responsible for keeping track of your own time. You should use the OF-288 form (Emergency Firefighter Time Report) or CTR (Crew Time Report) and have the Floor Coordinator sign. Notify the Floor Coordinator of changes to personnel schedules which may affect staffing/shifts.

### ***Lunch and Breaks***

Breaks are your responsibility. Individuals on the 0700 schedule should be taking their lunch between 1130 and 1200 and individuals on the 0900 schedule should be taking lunch at 1300. We do not get paid around the clock when we could have taken a break. Coordinate all meals and breaks with your coworkers to insure adequate coverage. Make sure you have given the person covering your desk a thorough briefing before you leave. There is a binder of menus for local eateries located in the stacker above the IA fax machine.

### ***Sick Leave/On-the Job Injuries***

If you cannot come in for your scheduled shift, please call Dispatch before your shift starts so we can make arrangements to cover your shift. If your illness or injury will prevent you from completing your assignment, let the Floor Coordinator know so that demobilization arrangements can be made.

If you become ill or injured while on duty, please notify the Floor Coordinator immediately. If further medical attention is needed, either you or the Floor Coordinator will need to fill out the proper forms prior to your visiting the doctor or hospital. If the injury is life threatening, emergency response personnel will be summoned for emergency transport to the nearest medical facility.

## ***Performance Evaluations/Task Books***

Performance evaluations will be completed for every detailer assigned to CDC. If you are working on completing a task book, please let the Floor Coordinator know upon your arrival. Qualified CDC employees (either a COD or a Supervisory Dispatcher) are happy to sign off any items in your task book that we have observed you complete successfully (your task book must be a properly initiated task book from your home unit). If you did not bring your task book with you, call your home unit and have them fax or email it to you.

## ***During your stay***

If you have any questions or concerns, please ask someone! If your questions or concerns cannot be met at this level, please contact the Floor Coordinator or Assistant/Center Manager.

## ***After your stay***

After your stay, please complete the CDC Detailers Survey Form. You can find this survey located at the end of this guide. We welcome your comments or ideas on how we can improve our Center. Please feel free to give us your recommendations and constructive feedback.

\*\*\*\* If you have any questions, please ask! We were all new to this at some point! \*\*\*\*

## Detailer Survey

We hope that you enjoyed your assignment here at Color Country Interagency Fire Center. We appreciate all the help we've received.

The purpose of this survey is to identify ways to help us improve our operations and customer service. Your constructive feedback is very important to us. We are interested in your thoughts, opinions, and ideas regarding our operation and your assignment here. It would greatly help us to hear things you might change, things that worked well or did not work.

All sensitive comments will be kept confidential. Please feel free to use the back of this form, or attach additional sheets, if space provided isn't enough to sufficiently answer the questions.

1. What recommendations or changes would you suggest to our office procedures to help us streamline operations?
2. Did CDC provide adequate Center orientation and detailer materials? What information was not provided by CDC to you that would be beneficial to other detailers during their assignments to CDC in the future?
3. Was the CDC staff helpful to you during your detail?
4. Were the facilities adequate? If not, what improvements would you suggest?
5. What did you enjoy most about your detail to the CDC?
